Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
<b>Democratic Governance</b>					<b>11,00</b>	
<i>Public Administration</i>						
1	Support to Building EU Skills in the Diplomatic Academy in Ukraine: ESD Scholarship	Supplementing the on-going Tripartite Cooperation between Sweden, Ukraine and Estonia on EU integration in diplomatic training. The objective of the programme is to offer and International Relations and European Integration training programme in Tallinn, giving two groups of Ukrainian students (7) first-hand experience of Estonia's EU integration and transition policies.	Diplomatic Academy of Ukraine, Ministry of Foreign Affairs of Ukraine, Estonian School of Diplomacy	July 2008 - Dec 2009	770 000	70 000
2	Oversight Panel - Swedish Expert Assistance (State Tax Administration Modernisation Project)	The contribution is linked to the World Bank's and State Tax Administration's Modernisation Project. Sweden finances participation of a Swedish expert in the oversight panel, which conducts periodic reviews of the State Tax Administration's accomplishments in becoming a professional, transparent, equitable, efficient and accountable public institution.	State Tax Administration, World Bank, Swedish Expert Mats Henriksson	Nov 2003 - Dec 2010	1 164 295	105 845
3	WTO: Trade Policy Capacity Building, Feasibility Study	The Ministry of Economy of Ukraine has requested Swedish know-how regarding trade policies and trade related issues with the EU, for the Ministry including other key authorities. In order to carry out the first feasibility mission to assess potential areas for future cooperation the Swedish National Board of Trade was requested by Sida to visit Ukraine during one week in January 2008. The visit should result in the outline for the cooperation between the Swedish National Board of Trade and the Ministry of Economy of Ukraine.	Ministry of Economy of Ukraine, Swedish National Board of Trade (Kommerskollegium)	Jan 2008 - Dec 2009	140 000	12 727
4	Preparation for Cooperation regarding Public Financial Management in Ukraine - Scoping and identification study on Public Finance Management Cooperation with Ukraine - UkrainaFin	The proposed project is preparatory and meant to plan relevant future PFM-related support activities and align them with ongoing work plans in the Ministry of Finance in Ukraine, as well as in the two line ministries chosen as pilots for MTEF. The project should also propose ways to increase aid efficiency in the PFM area through harmonization with other donors.	Ministry of Finance of Ukraine, Ministry of Finance of Sweden	May 2008-March 2009	1 136 884	
5	Study and advisory service to the Ministry of Finance in Ukraine on international cooperation and Public Financial Management	The Contractor will conduct a field research of the state of affairs as regards foreign aid delivered, and planned to be delivered, to Ukraine in the area of PFM. The study will contain recommendations to the Ministry on how to effectively work with foreign aid in relation to PFM reform and its comprehensive coordination with PFMP activities. The Contractor will further advise the Ministry on foreign assistance coordination, with the aim of making the best use of funds available and ensure its alignment with the Ministry's plans and priorities.	Ministry of Finance of Ukraine, SIPU International	October 2008-January 2010	2 000 000	
<i>Human Rights and Democracy</i>						
6	Police Cooperation (RPS) - Pre-study	Pre-study to explore possibilities for bilateral cooperation focusing on capacity building for reform towards a modernised police force, highlighting 'democratic policing'.	Ministry of Internal Affairs	May 2008 - Dec 2008	680 253	61 841
7	Election Reform 2007-2010, Ukraine	Continuing the OSCE PCU activities aimed at compiling electronic voters lists in Ukraine for the parliamentary election in 2006. Assisting the Government of Ukraine, upon their request, to further democratise electoral practices, procedures and standards for Ukraine.	OSCE Mission in Ukraine	June 2007 -May 2010	4 000 000	363 636

	Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
8	UNDP Supporting Equitable Access to Opportunities, Phase 2: Ukraine - En Route to Equality	Being the second phase of the UNDP Equal Opportunities Programme the project aims at further strengthening of the country's multi-sectoral reform process of governance regarding gender mainstreaming and will focus on institutional strengthening for policy enforcement. Institutional strengthening is planned to take place through support to the enforcement of the main outcome of the first phase, namely the Gender Focal Points, as well as through support to sustainable regional gender development.	UNDP Ukraine	August 2006 - Feb 2010	10 000 000	909 091	
9	Ukraine: Combating Trafficking in Human Beings, "Phase Out"	Aiming at eradication of the trafficking in human beings in Ukraine through advancement of the efforts of the Ukrainian authorities and civil society in addressing the three interrelated aspects of this phenomenon: protection and reintegration, prosecution and criminalisation and advocacy and prevention.	International Organisation for Migration in Ukraine, IOM	Oct 2006 - March 2011	15 000 000	1 648 352	
10	Core Support to European Roma Rights Centre 2006-2008 (regional)	ERRC is an international public interest law organisation founded and based in Hungary. ERRC is working with Roman rights issues in the whole Europe. The aim of the project is to provide core support to ERRC for their Roma human rights activities.	European Roma Rights Centre, ERRC	Feb 2006 - August 2009	8 550 000	777 273	
11	The Söderköping Process (phase 2) Ukraine, Belarus and Moldova	Focusing on transferring experience of the newly acceded EU member states to Ukraine, Belarus and Moldova in aligning their migration and asylum related legislation, policies and practices with EU acquis standards and promoting further networking among the participants in view of creating an effective and sustainable regional network on asylum- and migration-related issues.	Swedish Migration Board (SMB)	March 2006 - Jan 2010	15 049 000	1 368 091	
12	Ukrainian Independent Media Project 2007 - 2010	Being the second phase of the project supporting the Media Development Loan Fund (MFLF) in its support to democracy through the establishment of independent media channels in Ukraine. The goal is to develop at least three independent media companies in Ukraine and provide them as well as the MDLF's four existing Ukrainian clients with technical assistance, training and consulting in order to improve client's editorial independence, efficiency and journalistic skills.	Media Development Loan Fund	May 2007 - May 2011	8 000 000	727 273	
13	SEKA NGO		Forum SYD, Swedish NGOs with framework agreement with Sida				
14	Political Parties Cooperation (Regional)		Center Party International Center (CPIF), Olof Palme International Center (OPIC), Jan Hjalmarson Stiftelsen (JHS), Kristdemokratiskt International Center (KIC), Vansterens International Center (VIC), Green Forum (GF), Svenskt International Liberal Center (SILC)	Decisions are prepared annually			

	Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
<b>Social Protection</b>							
15	The Reform of the Child Care System in CEE/CIS (regional)	Supporting UNICEF in the preparation and execution of three sub-regional consultations on the reform of the child care systems in the CEE/CIS including a ministerial conference, which will serve as a follow-up to the consultations. The aim of this project is to contribute to the reform of the child care system in the CEE/CIS in order to prevent institutionalization of children and to ensure high quality family-based care options for children who cannot be cared by their biological parents. In this project UNICEF will closely cooperate with the World Bank.	UNICEF	June 2006 - Dec 2010	4 500 000	409 091	
16	Prolongation of the Ukrainian Social Investment Fund's (USIF) System of Social Care Service Micro Projects	The larger USIF initiative is financed by a World Bank loan, as well as funds from local and international donors. The aim of the Swedish contribution is to assist USIF in the identification, design, appraisal, implementation and monitoring of innovative social care service models, which could be initiated by local entities involved in social care services provision. The project extension will include three components such as micro-projects and standard development, resource centers and quality management systems. The focus is thus both to continue the development of social care methods in micro-projects but as well to strengthen sustainability of the institutional capacity development through resource centers and regional Quality Management Systems.	Ukrainian Social Investment Fund (USIF), Swedish International Consultancy	April 2007 - March 2009	13 525 000	1 229 545	
17	Social Assistance System Modernization Project	The aim of the project is to modernise the systems and structures of the social assistance system in order to increase the effectiveness of the social protection for the benefit of the most vulnerable groups. The project will support the social assistance part of the Government Action Plan "Toward the People" (2005). Sida funding will complement the WB loan aiming at modernisation of the social assistance system in Ukraine. The Swedish funding will strengthen the policy component of the project. A monitoring consultant will follow and assess the project implementation on behalf of Sida.	Ministry of Labour and Social Policy of Ukraine, World Bank Monitoring Specialist Ms. Pernilla Lundin (115 385 EUR budget for a monitoring consultant)	March 2006 - May 2010	29 400 000	2 672 727	
<b>HIV/AIDS</b>							
18	Sex Worker HIV/AIDS Project	The objective of the project is to mitigate the effects of the HIV/AIDS epidemic among female street sex workers in Ukraine. The project is implemented by the AFEW in cooperation with three Ukrainian organisations, which provide services for sex workers in three regions - Kirovograd, Vinnitsa and Kharkiv.	Aids Foundation East-West	June 2007 - June 2010	6 000 000	545 455	

	Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
19	HIV Incidence Reduction among Young People in Southern and Selected Eastern Regions of Ukraine	The UN HIV prevention programme is a continuation of the previous joint UNDP, UNFPA and UNICEF project on HIV prevention in Kherson region, funded by Sida during 2002-2005. The programme consists of three main components: 1) targeted education and condom promotion for HIV/AIDS prevention in vulnerable groups (implemented by UNFPA); 2) promotion of human rights of vulnerable population by increasing HIV prevention services in Ukraine (implemented by UNDP); 3) prevention of mother to child transmission (implemented by UNICEF). The programme is implemented in AR Crimea, Kharkiv, Mykolaiv, Kherson and Dnipropetrovsk.	UNFPA, UNDP and UNICEF in Ukraine	June 2006 - Dec 2009	12 000 000	1 090 909	
20	Convictus Comprehensive and Three-Step Probation and Post-Prison Reintegration Programme, Phase II	This 3 year programme is aimed at increasing the quality of life and chances of successful reintegration into society for one of the most vulnerable groups in the Ukrainian society, ex-inmates. The programme is a continuation of a programme originally designed in cooperation between the Swedish Prison and Probation Service, the Ukrainian Ministry of Justice and the State Department for the Execution of Punishment. Convictus has just finished a 2 year project for Sida in Ukraine working with HIV infected drug users, in particular inmates, persons on probation and ex convicts.	Convictus Ukraine, Convictus Sweden	August 2008 - December 2011	13 630 000		
<b>Environment and Energy Efficiency</b>							
21	The EBRD Ukraine Energy Efficiency Programme (UKEEP), phase II	EBRD established a dedicated credit line of 110 meuro, UKEEP, for energy efficiency and renewable energy projects for private companies in Ukraine. The credit line was further extended into 150 meuro in early 2009. Sida and the Austrian Federal Ministry of Finance provide grant-financing for technical assistance, primarily to be used for consultancy services, aimed at both on-lending banks and end-borrowers, to develop projects and to perform energy audits. Vattenfall AB and SEK Advisory services are contracted by the EBRD for consultancy services.	Ukrainian banks (KreditPromBank, UkrEximBank, Forum, OTP Bank); EBRD	Dec2008 - Dec 2010	10 000 000	909 091	
22	Sustainable Municipal Technical Cooperation Funds with EBRD and NIB	The overall objective of the two funds with EBRD (20 msek) and with NIB (10 msek) is to promote design and implementation of investments for sustainable municipal development, including water and sanitation, district heating and waste management, safeguarding sustainable use of natural resources and protection of the environment. Technical studies in conjunction with the preparation and implementation of municipal environmental infrastructure projects. The funds are drawn from a special allocation and are tied to the Swedish resource base. <b>Sub-project 1: Odessa District Heating Study</b> The study is to support the finalization of institutional, financial, least-cost, economic, technical and environmental aspects of a proposed district heating rehabilitation project in the city of Odessa, to enable appraisal by an investment bank for possible further financing.	EBRD / NIB	Dec 2006 - Dec 2009	30 000 000	2 727 273	

	Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
23	Ukraine Urban Infrastructure Project	The World Bank launched the Ukraine Urban Infrastructure Project to be financed by a loan of 140 musd. The main part of the loan will finance investments in the water, waste water and solid waste sectors. About half of the loan will be transferred to three pre-selected cities/regional governments (Odessa, Ivano-Frankivsk, Chernihiv) for rehabilitation investments. The other half is an open component with credits for for energy-efficiency investments, open for all municipalities/vodokanals that comply with certain criteria. The Sida grant will cover Technical Assistance parts of the project.	World Bank	Dec 2007 - Dec 2009	45 000 000	4 090 909	
24	Trust Fund with NEFCO	Sida provides grant financing to a Trust Fund in NEFCO for the purpose of promoting efficiency in district heating. The fund can also be used to finance studies and to facilitate the screening, implementation and monitoring of environmentally, technically and financially sound environment and energy investments.	NEFCO	April 2008 - Dec 2010	2 000 000	181 818	
25	Bilateral Institutional Cooperation on Energy Efficiency	Initial discussions between the two national authorities in view of developing a joint cooperation programme, focusing on energy efficiency policies and their formulation and implementation as well as general organisational and institutional issues.	Swedish Energy Agency (STEM) National Energy Efficiency Agency (NAER)	-	2 000 000	181 818	
26	The Swedish Radiation Safety Authority Cooperation with Ukraine on Civil Radiation Protection	Improving civil radiation protection in Ukraine in accordance with the modern international standards and by this, reduce the collective radiation dose to the Ukrainian population in the regions concerned. Institutional cooperation between authorities in the sphere of civil radiation protection will focus on uranium tailings and remediation, natural radiation and radon gas, medical radiology. (A new Cooperation Programme for 09-13 is under preparation).	Swedish Radiation Safety Authority (SSM), Ministry of Emergencies of Ukraine. Other cooperation partners include for ex.: State Nuclear Regulatory Committee, MoHealth, MoDef, National Council of Security and Defence, Ukrainian Scientific Research Hydro Meteorological Institute, State Department of Hydrometeorology, State Enterprise "Izotop", Ministry of Fuel and Energy	Nov 2006 - Dec 2008	5 000 000	454 545	
27	Bilateral Environmental Cooperation (SwEPA) (Regional Programme for Ukraine, Russia and Belarus)	Institutional cooperation between environmental authorities in Ukraine and in Sweden via Swedish Environmental Protection Agency (SwEPA). Topics covered are e.g. Water Management (Vinnitsa Water Basin Administration and the Water Commission), including trans-boundary Water Management and ENVSEC, Integrated permitting according to IPPC Directive, and POPs/SThm Convention, Waste Management and general organisational and policy advice. The programme is closely linked to the planned ENPI 2009 Budget support for the Ministry of Environmental Protection of Ukraine.	Naturvårdsverket, Ministry of Environmental Protection of Ukraine	Sept 2004 - June 2008	29 000 000	2 636 364	

	Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
<b>Economic Transformation</b>							
28	Business Enabling Environment	The project aims to develop an improved business environment in Ukraine. This will be achieved by addressing key regulatory barriers hindering Ukrainian SMEs and to support closer economic relations between Ukraine and the EU.	International Finance Corporation	Dec 2007 - Dec 2009	10 000 000	909 091	
29	New Managers for Ukraine	The project is aimed at management training of Ukrainian partners and creation of a platform for contacts between companies in Ukraine and Sweden. The last phase is oriented towards project development assistance for municipal/local level in the area of energy efficiency investments.	Föreningen Norden	May 2003 - Nov 2009	2 200 000	200 000	
30	Labour Market Dialogue, phase III	The project aims at approximation of social dialogue in selected branches of Ukrainian economy to European norms and standards with the Swedish model as a reference. The project will provide comprehensive training and support to representatives from the workers' and employers' organisations, as well as the government, in workshops on social dialogue and conflict resolution, collective bargaining and wage formation, settling legal disputes and the role of the Labour Court, etc.	Labour Market Dialogue Association	June 2008 - December 2010	9 500 000		
31	Business Development Centers in Ukraine 2005 - 2009	The project aims at establishing Business Development Centres in Ukraine through a tripartite cooperation between two universities and the Ministry of Education and Science on the Ukrainian side, the Ministry of Education and Science together with colleges on the Lithuanian side, and the University of Mälardalen in cooperation with Idelab and Munktekl Science Park in Eskilstuna.	National Technical University of Ukraine, Kyiv, Ivan Franko National University of Lviv, University of Mälardalen	June 2005 - Dec 2009	15 307 344	1 391 577	
32	Entrepreneur Training in Ukraine	The project intends to give SME's the opportunity to get high-quality training and increase their chances to expand which will increase employment and the functioning of the market economy. The immediate objective is to make three selected management institutes able to execute entrepreneur training without further Sida assistance.	Lviv Institute of Management, Dnipropetrovsk University of Economy and Law, IFL Entrepreneur AB	Jan 2006 - Dec 2009	9 600 000	872 727	
33	Support to Kyiv Institute for Economic Research (KIER)	The project aims at establishing Kiev Institute for Economic Research, a Ukrainian centre for economic analysis and research. The aim of the project is to provide Ukraine with a new channel for strategic research and policy links with EU academics and policymakers.	Kyiv Mohyla Academy Economic Education and Research Consortium, Stockholm Institute of Transition Economies (SITE)	Aug 2005 - Aug 2009	12 400 000	1 127 273	
34	Support to the Economic Education and Research Consortium (EERC)	The main activity of the Economic Education and Research Consortium (EERC) is to train students in a 2-year English-language Master's Programme in economics. The project objectives are to contribute to the core funding of the EERC over period of 4 years and to give 8 EERC students possibility to make a study visit to Sweden.	Kyiv Mohyla Academy/Economic Education and Research Consortium, Stockholm Institute of Transition Economies (SITE)	Aug 2006 - Aug 2010	5 800 000	527 273	

	Project title	Project brief	Implementing part (local; foreign)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
<b>Common Security</b>							
35	Improving Rescue Capacities in the Ministry of Emergencies	The main objective of the project is to strengthen the institutional capacity of the Ministry of Emergencies in order to efficiently provide effective and economically sound service to the public in accordance with modern European standards. Project components include organisation, mission, vision; cross-border APELL-seminar; organisation of pyrotechnical works; 112-emergency system; fire safety research institute and technical cooperation.	Ministry of Emergencies of Ukraine, Swedish Civil Contingencies Agency, Estonian Rescue Service	June 2007 - June 2010	6 000 000	545 455	
36	Crimean Integration and Development Programme, Phase IV: Promoting Integrated Regional Development in Crimea	The programme is the fourth phase of the Crimea Integration and Development Programme (CIDP). Its development objective is to foster sustainable human development in a manner that contributes to the maintenance of peace and stability in Crimea through initiatives aimed at preventing interethnic violence and enhancing peaceful coexistence among ethnic groups. The three components of the programme are good governance, local economic development as well as human security monitoring and tolerance education. The programme is also meant to give a platform for a dialogue between the UN and the national and Crimean governments, thereby contributing to the development of a national policy with regard to Crimea.	UNDP/Crimean Integration and Development Programme (CIDP)	April 2007 - Aug 2009	10 000 000	909 091	
37	Eliminating Melange Stockpiles in Ukraine, Phase IIIa, Ukraine	This 24-month pilot elimination phase aims at destroying the first 3000 tons of the stockpiles. During the phase a private contractor will be selected, contracted and supervised as the contractor in cooperation with the government of Ukraine eliminates Melange either by transporting it out of the country to a foreign chemical plant or by installing and running an on-site mobile plant.	OSCE Headquarters in Vienna Ministry of Defence of Ukraine	July 2008 - Dec 2010	15 000 000	1 363 636	
<b>Education (Regional)</b>							
38	Swedish Institute's Scholarship Programme (Regional)	Sida will support a project regarding master's studies scholarships for students from thirteen countries in Eastern Europe (including the Western Balkans) and Central Asia. The scholarships will cover the trip to Sweden as well as a monthly grant during the period of the master's studies (1-2 years). The executing Swedish party in this project is the Swedish Institute (SI).	Swedish Institute	March 2006 - March 2011	21 400 000	1 945 455	
39	Scholarship Programme: Master of Science in Land Management (Regional)		Royal Institute of Technology (KTH) in Stockholm	Sept 2005 - Dec 2009	26 750 000	2 431 818
