

PROJECT LIST UKRAINE						
Project title	Project brief	Project partners (local / international)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro	
<b>DEMOCRATIC GOVERNANCE</b>						<i>11,00</i>
<i>Public Administration</i>						
<b>Budget and Aid Management</b>	The project objective is to provide advisory support to the Ministry of Finance of Ukraine in the following two areas: modernisation of the budget process, including Medium Term Expenditure Framework and Performance Based Budgeting, and coordination of donor aid in the modernisation process of the PFM functions. The project is planned for three years with a possible extension for two more years. The project should draw on the expertise of the Ministry of Finance of Sweden when relevant.	Ministry of Finance of Ukraine, SIPU International	March 2010 - June 2013	25 000 000	2 272 727	
<b>Oversight Panel - Swedish Expert Assistance (State Tax Administration Modernisation Project)</b>	The contribution is linked to the World Bank's State Tax Administration's Modernisation Project. Sweden finances participation of a Swedish expert in the oversight panel, which conducts periodic reviews of the State Tax Administration's accomplishments in becoming a professional, transparent, equitable, efficient and accountable public institution. (STA has changed name into STS, see below.)	State Tax Administration, World Bank, Swedish Expert Mats Henriksson	Nov 2003 - Dec 2011	826 695	75 154	
<b>State Tax Service of Ukraine Advisor</b>	The project has been requested by the State Tax Service of Ukraine (STS). The Consultant will be advising the senior management of the STS and working closely with the ongoing World Bank State Tax Service Modernisation Project -1 on various implementation issues regarding the tax block and management information services.	The State Tax Service of Ukraine (STS), SIPU International AB,	May 2011 - June 2013	5 000 000	454 545	
<b>Programme of Support to the Implementation of the CoE Action Plan for Ukraine, 2008-2011</b>	The Programme has three parts. 1) To contribute to the improvement of institutional and legislative framework for local democracy in Ukraine and to the development of a system of decentralized governance, consistent with the European Charter of Local Self-government, European standards and objectives of the CoE Action Plan for Ukraine. 2) To contribute to prison reform in Ukraine. 3) To evaluate and develop CoEs Action Plan in Ukraine.	Ministry of Regional Development of Ukraine, State Prison Service, Ministry of Foreign Affairs of Ukraine. Council of Europe	Dec 2009-June 2013	30 000 000	2 727 273	
<b>OECD Eurasia Programme</b>	As the initiators of the European Union's Eastern Partnership, Sweden is together with Poland co-chairing the OECD Eurasia Competitiveness Programme for South Caucasus and Ukraine. The programme aims at removing policy barriers currently restraining the business climate in Ukraine and will as such facilitate the implementation of the Eastern Partnership and the EU-Ukraine Action Plan. The results of the project will be enhanced competitiveness and trade exchanges through the identification and reduction of sector specific policy barriers, target reforms and policy dialogue, by putting in place mechanisms in partnership with the private sector, academia and civil society, as well as improved employment level through better matching of supply and demand and alignment with economic growth requirements.	Ministry of Economy of Ukraine. OECD	Nov 2009 - June 2013	26 000 000	2 363 636	
<b>Business Enabling Environment</b>	The project aims to develop an improved business environment in Ukraine. This will be achieved by addressing key regulatory barriers hindering Ukrainian SMEs and to support closer economic relations between Ukraine and the EU.	Various beneficiaries in Ukraine. International Finance Corporation, IFC	Dec 2007 - June 2011 (closing)	10000000	909 091	
<b>ICPS Analytical Support to EU Integration Process in Ukraine</b>	Provides analytical resources to the Gov of Ukraine for EU integration. The project consists of three components: 1) Methodological support to the Coordination Bureau for European Integration, including a mapping of the system of TA coordination in UA and recommendations for its improvement; 2) Analytical support to the EU-Ukraine FTA negotiations; 3) Research on the readiness of Ukrainian institutions to implement Ukraine's commitments within the future EU-Ukraine Association Agreement.	Bureau for European Integration, Ministry of Economy of Ukraine. International Centre for Policy Studies (ICPS)	Jan 2009-Aug 2011 (closing)	4 500 000	409 091	

Project title	Project brief	Project partners (local / international)	Agreement period	Total Proj budget (SEK)	Total Proj budget in Euro
Improving Rescue Capacities in the Ministry of Emergencies	The main objective of the project is to strengthen the institutional capacity of the Ministry of Emergencies to efficiently provide effective and economically sound services to the public in accordance with modern European standards. Project components include the T12-system; organisation, mission, vision; cross-border APELL-seminar; organisation of pyrotechnical works; fire safety research institute and technical cooperation.
