

Ms. Kanitsanan Thanthitiwat was graduated with a MSc. in International Management in 2004 from the University of Gothenburg, School of Business, Economics and Law, Sweden.

At that time, she held a position within Lloyds Register in Gothenburg where her interest for sustainability concerns started as the Swedish maritime industry was in a shift to environmentally certify many vessels according to ISO 14000. By 2006 she relocated back to Thailand with her husband and two children. She is presently a Co-founder and the CEO for Global Bugs Asia with head office in Bangkok and a cricket farm and process factory in Hua Hin, Prachuap Khiri Khan province.
